No. 2010-0021c

ALPHA RELEASE 4.3.1 EXTERNAL TEST ENVIRONMENT AVAILABILITY DELAYED

Alpha Release 4.3.1 has been successfully deployed to the Alpha ATS External Test environment; **unfortunately as a result of a continued environment hardware issue the External Test environment will not be available until mid-day Thursday March 11, 2010.**

Please note the continued delay in environment availability is not resulting from the upgrade of the application (the further delay results from required hardware replacement activities which are currently underway). **Confirmation of environment availability will be provided once all hardware remediation activities have been completed, anticipated environment availability is no later than mid-day Thursday March 11, 2010.**

Should you have any questions or require additional clarification please direct your inquiries to Alpha Trading Services at 647-259 0450 / 877- ATS ALF1 or via email at clientservices@alphatradingsystems.ca.
